

Dear Alef Academy families

Tuition scholarships are available upon application. To qualify, a confidential FACTS scholarship application form must be completed by April 1st. Once submitted, our dedicated scholarship committee reviews applications anonymously to maintain privacy. FACTS is a third-party organization that assesses a family's financial information and determines eligibility. FACTS does not provide any funding directly.

The scholarship fund is made possible through the Alef Academy's Scholarship fundraising efforts with a partial contribution from JEWISHcolorado.

To be considered for a scholarship for the upcoming academic year, please complete the application process at [online.factsmgt.com/aid](https://online.factsmgt.com/aid).

Important:

- Both Alef Academy and JEWISHcolorado must be selected in order for your application to be considered.
- Applications must be submitted by the deadline of April 1st. Applications received after that will not be considered.

Please let me know if you have any questions.
